

N/A presents:

Inspection Authorization (I/A) Renewal Maintenance Symposium

Continual learning is a key component to aviation safety, your IA career, and for our profession. Our seminar meets the requirements of FAR 65.93 for FAA approved Inspection Authorization Renewal training, is accepted for the 8 hours of renewal IA training and is eligible for the FAA AMT Awards Program. It is scheduled from 8:00am until 5:00pm, this includes the signing in and lunch periods. Come join us for an informative and challenging seminar designed to increase your knowledge in all facets of the inspection process and help you become inspectors that are more informed. At this maintenance symposium we will review the History of Inspection Authorization, Aircraft Fuels, Hazmat, Ballistic Parachutes, Accident Investigation, and Major/Minor Repairs/Alterations, among others. This event has a fee. Click the link below for more information and to register for this event.

Directions: Baltimore Beltway Exit 12, Wilkens Avenue West. Follow Wilkens Avenue West to Valley Road. Make a right on Valley Road to the college entrance. Turn left onto Campus Drive and follow it to HTEC building parking.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
